

Good Morning!!! Thank you for the autographed pictures Jennifer and I really appreciated the thought, they are so beautiful. It is also very sentimental for both of us considering the fact that Jennifer lives only a few blocks from where the towers once stood and I am a native New Yorker. So thanks again!

Mr. Don Glassie the owner of the Park South as well as the entire Majestic Hotel Corporation would like you to join him for cocktails in the Black Duck Bar around 7:30pm tonight 1/10.

Thanks again,
Diana and Jennifer
